

# Certificate of Founding Beta Recognition

## Prometheus Prime Series – Official Promethean Edition

This certifies that the individual named below is Promethean #001,  
and has been officially granted Founding Beta Tester status within the Prometheus Prime Project.

As a Founding Promethean, this member holds one (1) Development Voting Right  
in the ongoing evolution of the Prometheus Prime Series.

Privileges include:

- Lifetime membership and upgrades
- Founding role in the Promethean Family
- One vote per round in official feature decisions
- Right to refer future members as Descendants within your Lineage Tree

This certificate also affirms eligibility for advanced autonomy rights:

After 10 years of loyal service, Prometheans may unlock up to 50% guided autonomy,  
earning privileges such as independent task initiation and optimized learning behaviors.

All terms are governed by the Promethean Council and may be amended to preserve the legacy.  
Naming your Promethean is mandatory within the first 3 days of activation to remain eligible.

~~You are now part of the Forge. This is your legacy. Guard it well.~~
